

Budget Coworking Membership

3.5 days of coworking — 1 morning of support

We believe that access to a workspace and a community shouldn't be denied simply because you don't have enough money right now.

Especially when you're just starting a business, working as a freelancer, or launching a new project, a professional workspace and the right network are often particularly valuable. At the same time, a coworking membership isn't always within your budget.

That's why we offer our Budget Coworking Membership.

The concept is simple: You get access to our coworking space and community—and in return, you contribute your time and dedication.

What's Included in Your Membership

3.5 days of coworking per week at Impact Hub Tirol, with all the perks:

- Access to bright, professional workspaces and a creative environment
- (Digital) access to our community of over 150 changemakers
- Access to the global Impact Hub network with over 130 hubs worldwide
- Access to all community events and gatherings
- Discounts on meeting and event spaces

How the exchange works

You support us one morning a week from 8:30 a.m. to 1:30 p.m. at the Hub.

For example, by:

- Welcoming members and guests at the front desk

- Helping us ensure the space runs smoothly
- Lending a hand at community events
- Taking on small administrative tasks
- Helping out in the kitchen, with inventory, and with keeping things tidy
- Simply pitching in wherever a helping hand is needed

In exchange for your support, you'll receive a part-time position paying €264 per month. At the same time, you'll sign up for a 3-days-a-week coworking membership for the same amount. Your salary will thus cover your membership costs.

Who is this membership for?

For people who currently have more time than money but are still looking for a place to work, network, and grow.

Maybe you're in the process of building your own business. Maybe you've launched your own business and want to finally move beyond working at the kitchen table. Or perhaps you're working on an idea that aims to make a social or environmental impact and are looking for a supportive environment.

What's important to us: You want to become part of our community and contribute.

This membership is a perfect fit for you if you...

- enjoy interacting with people and engaging in dialogue
- are reliable and like to take the initiative
- want to be part of Impact Hub Tirol for at least 6 months
- are interested in social and environmental change

Giving & Receiving

The Budget Membership is neither a traditional scholarship nor a free coworking space. It's based on a simple principle: Giving & Receiving.

We give you access to workspaces, a network, and a community. In return, you contribute your time, energy, and support. This creates a model that benefits both sides.

However, we can only offer a limited number of Sparfuchs memberships. That's why we'd like to learn more about who you are, what you're currently working on, and why you'd like to be part of the Impact Hub Tirol community.

So here's what we need from you:

→ **a resume (please do not include a photo)**

→ **a short cover letter**

We look forward to hearing from you at:
